

## **SWAP MODELERS SEPTEMBER 2024 MEETING MINUTES**

The meeting was called to order at 6:30pm at the Club Field, Pat Murphy president presiding.

August's meeting's minutes were read and accepted. The treasurer's report was given and also accepted.

Art reported that the treasury is in good shape and on a par with last year. He said that some have not yet turned in their tickets stubs for the raffle planes and that he would sent out reminders to those members. 250 tickets will be sold on the trainer.

Plans for the upcoming "Charm City Memorial "were discussed. We have several sponsors and a good amount of door prizes. Pat Murphy suggested that some competitive events be included. Wayne Bury suggested that the "trainer" raffle plane be flown at the event so that those purchasing chances on it could see what they would be getting should they win. It was pointed out that it might be safer to assemble it and have it displayed but not fly it.

Art reminded all about the "Swaptober" event and hopes for a good response. He also informed members that the next meeting will be at the Arbutus Rec Ctr. On the 2<sup>nd</sup> Monday, October 14<sup>th</sup>. At 7Pm.

Art showed the Super Decathalon that he has been building and has now completed. He said it flies great and that he is very happy with it.

The meeting was adjourned at 6:45 pm 18 members attending.
